

TIME IS RUNNING OUT FOR EARLY FALL ENROLLMENT FOR S.E.E.D.® Technology Center's COMPUTER ACADEMY!

Save \$100 when you enroll by March 16th deadline!

If you are interested in enrolling in the CBT (Computer-Based Training) Academy for the 2009-2010 semester, the early registration deadline is March 16. By enrolling before the March 16 deadline, you will save \$100 off the cost of our regular tuition! In order to qualify for the early enrollment discount, you must have applied, been accepted, and completed financial check-in by March 16.

Enjoy the convenience and quality of computer-based courses.

S.E.E.D.® Technology Center CBT Academy is a computer-based, online academic program for anyone living within the 29201 - 29204 area code, be unemployed or underemployed and/or be in a minority class. Offered and supported by S.E.E.D.®, Inc. — Columbia's newest community-based educational program — S.E.E.D.® Technology Center GED Academy provides full integration of educational principles throughout all curriculum in:

- Word, Excel, Access, PowerPoint, Outlook

We also offer classes in:

- Computer Hardware Repair & Troubleshooting
